To: Whom it May Concern:

We are the Verbum Dei Catholic Missionaries, an Institute of Consecrated Life dedicated to "Prayer and the Ministry of the Word of God" (c.f. Acts 6, 4).

We carry out our mission by conducting retreats, recollections, School of the Word, School of Evangelization and Christian formation in various universities and offices. Our purpose is to evangelize the youth, adults and married couples to become witnesses of the values of the Gospel in their own environment. We dedicate ourselves to form lay people (single and married) for the task of evangelization.

This coming January 2017 we are going to celebrate our **"2nd Verbum Dei Missionary Family Symposium"** which will be held in Colombia, from January 2 -12, 2017. As part of this momentous event, we are sending some of our lay disciples to actively represent our country and our culture in this enriching conference.

Accordingly, **Ronan Capuras** and **Maria Lordelynn Codilla** are two of our committed lay disciples chosen to represent our Cebu, Verbum Dei Family in this said event.

For this reason, we would like to come to you for any financial assistance for our disciple, one of our committed members of our Verbum Dei Family, for the expenses that she will be incurring in her travel.

Thank you very much for considering this request. May God bless you and give the grace you need for all your undertakings. We include you and your family in our daily prayers.

Sincerely Yours,

Sr. Gabriela Rocha Urincho, FMVD
Verbum Dei Catholic Missionaries
